VARIETAL: 100% Malbec

HARVEST: Manual

TIME IN BOTTLE: 3 months

---

### TASTING NOTES:

Very attractive, deep color with prominent purple tones. When uncorking a bottle, it delights us with a complexity of aromas that mix fresh notes, red fruits such as ripe plums, black fruits and a delicate minerality that further favors freshness. Very well complexed by hints of vanilla from its oak aging. With soft and ripe tannins, with a very good acid balance on the palate, refreshing, with the same fruit notes as on the nose. Very good finish in the mouth, balanced and elegant.

---

### PAIRING:

Ideal for classic roasts, pasta with succulent sauces and all dishes with a pronounced flavor.
