VARIETAL: 100% Malbec

HARVEST: manual in plastic bins. Cluster selection. Destemming and crushing. Berry selection. Fermentation and maceration in stainless steel tanks at 23-25 °C for at least 25 days. 23-25 °C for a minimum of 25 days.

MALOLACTIC FERMENTATION: natural.

AGING: 15 months in French and American oak barrels. Filtering. Bottling.

IDEAL SERVING TEMPERATURE: 17°-19°C

TASTING NOTES:

La Mascota Malbec presents a deep purple-red color with ruby hues. It displays aromas of black fruits, jam and vanilla, with a subtle touch of licorice. Sweet on the palate, with intense tannins and a pleasant, lingering finish.

PAIRING:

The ideal wine to accompany grilled meats or strong cheeses.
